At the beginning of the season the Monte Vista Football team was picked to finish 2nd to the last in the league only above El Cap. When the press and other coaches around asked Coach Cooper about our team, he said, "We're small and we're slow and we're inexperienced." He didn't tell them about the team's will to win and the dedication of the coaching staff. The coaching staff was a major factor in the team's success this season. They decided to split the team in half. Half the team would be defense and the other half offense. This would enable the team to go 101% when they were on the field. Some people thought Coach Cooper was crazy to try to platoon the team, but the team believed in him all through the year. Believing in Coach Cooper earned this year's team a 2nd place finish and a playoff birth.

The Monte Vista water polo team was named champion of the Grossmont League for the second year in a row, and placed third in the C.I.F. tournament. They are said to have gotten there because of their team's pride and excellent coaching, but they are losing Coach Phil Poist after 11 years.

Much praise was given to this year's team as six players were picked for all-league honors. Mike Knight named the Grossmont Player of the Year, top scorer Gary Hull and goalie Ken Howard were named on the first team. Jim Andreen, John Olivaria, and Randy Eickhoff were named to the second team.

The Monte Vista varsity volleyball team, after placing 2nd in the Grossmont league standings with a record of 14-2, was in the first round of CIF action by #1 ranked Torrey Pines. After losing the first game 15-8, Monte Vista bounced back to win the next game 15-8. Unfortunately for the Monarchs, Torrey Pines came on strong in the final game 15-5 to clinch the game and match. The squad was one of the few teams to take the Falcons to three games. Coach Pat Forsberg is very proud of this year's team. This year, because of a new CIF rule, only two teams per league were granted a play-off berth. Vahalla and Monte Vista represented the Grossmont league, but neither advanced to the finals. The relatively inexperienced 81-82 squad was constructed of seniors Becky Wolfe, Della Cole, Shara Todd, Shannon Bethel, Joyce Aguilar, Linda Attiq, and Gabby Le Clair; junior Suzanne Perin; and sophomores Debbie Glasco, Donna Corcoran, and Tina Cole. Four all-league honors were earned by the squad this year. Della Cole was named Player of the Year in the Grossmont league, with senior Becky Wolfe joining her on the first team. Junior Suzanne Perin was named to second team all-league and Debbie Glasco was awarded Honorable Mention.

Monte Vista has always been known for their outstanding wrestling team. This year was no exception. On way to another League Champoinship, the team was lead by four year veteran Tom Martin and Junior Steve Bowdren. This is Coach Clauder's last year and I'm sure he would like to lead his team to a C.I.F. Playoff Spot.

3-D 'LAGOON' WINS APPROVAL BY FANS

Recently many Monarchs had the chance to view a rare sight-an actual 3-D movie, "Creature From the Black Lagoon."

The movie was the second such event sponsored by the ASB this year. It earned approximately \$300, while the first movie, "Psycho," earned a \$100 profit. The money earned will be used for more movies and other ASB activities.

"The movie was a complete success," says Randy Eickhoff, commissioner of student activities. Viewers showed up with sleeping bags, pillows and blankets. Each was given a pair of 3-D glasses, although many students didn't use them.

'FLOORMEN' LIFT SPIRIT AT MV BASKETBALL GAMES

This year as you enter the Monte Vista gym on a Friday night, you notice an enthusiasm never before seen at Varsity basketball games. The crowd is cheering, and willingly!

A new dimension has been given to the Monte Vista fan section of the basketball games-the "Monarch Floormen!" Every halftime at home games they spring to action to spell their latest well-drilled word(s) out in "human letters." Jim Andreen, Paul Gettings, Mike Knight, John Olivarría, Cory Sheehan, and Pete Wotruba all combine for almost split-second accuracy in letter formation. The crowd response is fantastic and the opposing team's crowd is usually left open-mouthed in amazement at the group's coordination and Monarch spirit. To match the powerful Monte Vista basketball team's aggressiveness, the fans are becoming extremely involved in the game. In fact, it appears the spectators on our side of the gym are having a better time being fans this year than ever before. They've got spirit and want our team to be number one in the league, which it well might be.

So, if you aren't doing anything the night of the next MV basketball game, you might want to head out to the gym and enjoy the game. The playing is tough, entertainment's good, and you might even have a good time if you don't watch out.

BAND WINS SWEEPSTAKES!

In the front office stands a new 5'4" glittering gold trophy, which MV's band brought home from an Oct. 17 marching band competition.

The Monarch band took the Sweepstakes award, outclassing 15 other bands, in the 34th annual 'Days of the Verdugos' Parade in Glendale.

This is the second competition they have entered since the beginning of the school year. They received a fourth-place trophy in the Columbus Day Parade on Oct. 10.

In addition to the band victories, Drum Major Kevin Lee, won third-place awards in both parades.

Marchers Benny Davison and Patti Lopez commented on the enthusiasm of their new teacher, Mr. Kamp, and said the band was benefiting immensely from his help and work.

THIEVES HIT MV LOSS OVER \$10,000

By Linda Rossi

In a short period of a month, during the summer, Monte Vista valuables. The first robbery took place in the end of July when vandals broke into a secured area and took two sets of keys which opened the majority of room doors on campus.

On the same day, vandals entered the library where they took \$5,000 worth of video, stereo, and audio-visual equipment, and also broke into several vending machines in various rooms here.

Since the two sets of keys were never recovered, locks were made inoperable by district personnel, and will be in that condition until November when new ones will be installed. The cost of "relocking" will be between \$1,200 and \$1,500.

After the first robbery, a new fence was constructed adjacent to the Photo and Art room. The fence, which is chain link with barbed wire at the top, is a controversial subject with some Monarchs. Art teacher, Mr. George Gray, commented that his main concern was the impression others entering our campus might get from seeing the high fence and barbed wire.

The fence, however, did not serve as much of a deterrent since a second robbery, in the very area where the fence was put up, occurred shortly after.

The second robbery, taking place in the middle of August, occurred when vandals broke into the Art room. Nothing was taken from the room, but from this room vandals managed to gain entrance into the Photo room. At one time, there was a door between the Photo and Art room, but about six years ago the door was permanently covered and made invisible with fiberboard. Vandals apparently knew this door was here and also what the door led to.

In this robbery, approximately \$5,000 worth of photography equipment, mostly cameras, was taken. Also stolen was a public address system recently purchased by the ASB.

Both break-ins may be related and may have been done by the same person or persons. Vice Principal Bill Dunmeyer said that vandals must have been familiar with the school lay-out because they knew the location of the keys and other valuable equipment taken.

At this time, the Sheriff's Department is still working on the robbery.

SHOWDOWN WATERS WRESTLERS TROUGH 31-28

Two weeks ago today at the old Grossmont Gym there was a wrestling showdown of sorts.

It featured the unbeaten biggies of the Grossmont League, Monte Vista and Valhalla, both 5-0 at the time. The Monarchs prevailed 31-28.

The winners in their matches were Kevin Henderson (101) by decision 4-0, Rick Herrera (129) also with a decision over Norseman Mike Perez 11-4, Tom Martin (141) with pin, Steve Bowdren (148) 14-3, Richard Jackson (170) 8-7, both by decision, Mike Gandy (188) and Chris Rinehart (203), both by pins in 3:30 and 5:45.

Monarch low scores were recorded by Mike Luciani (108) 10-0, Ferdinand Agpaoa (122) 10-2, Tom Austin (158) 18-4, and Heavyweight Terry Wickersham 4-2.

MV losers by pin were Rodel Agpaoa (115), and Jim Fuhrer (135).

The win put the grapplers in first place while the Norseman became tied with Helix in second.

The JV matmen lost their match against Valhalla 31-24.

Gary Uyeda, writing for the *Daily Californian*, said that the match was "... reminiscent of the days when the Grossmont League ruled the San Diego Section ... "

GRIDDERS HOPE TO SECURE SPOT IN PLAYOFFS WITH WIN OVER EL CAP TONIGHT

Tonight's game at El Capitan against El Cap marks the end of the best regular season of play Monte Vista has had in its 20-year existence. The high point of this season was the devastating win over the Helix Highlanders two weeks ago, 35-17. "We were more aggressive and we did everything right that game," said Coach Jim Arneson. Head Coach Gary Cooper gave his team the credit for this win. "Anytime you hold a team like Helix to seventeen points it's a team effort, and the offense was on the field more than usual. We also moved the ball well against one of the best defensive lines. Going into that game I told the guys that they would have to score four touchdowns to win," Coach Cooper said. "The offensive line did everything right, and Mark Milocco only got sacked once." After that game the gridders were ranked fourth out of the 75 schools in the county. Coach Jerry Leiberknecht described it as the best game of the season. One week before this the Monarchs took on the Valhalla Norseman, and beat them 21-18. Santana was the next team that the Cooper-guided team would oppose. "Going into that game they (Santana) had nothing to lose," Coach Cooper said. "They were just out for an upset." MV overwhelmed the Sultans 13-6. Going into tonight's game the team's record stands at 5-1-1 in league play.

Cincinnati, after winning the tough AFC Central rolled on to beat the Buffalo Bills and the San Diego Chargers in a controversial game. FOREIGN EXCHANGE

Hi, I am Louise Khixbüll and I am from Denmark. I better say a little about where Denmark is. It is one of the Scandinavian countries. I am an exchange student with AFS. I think California is just great, especially the weather. I just have a great time. I love my friends and family. I think your culture is very different from mine in Denmark. Sometimes it is hard but most of the time interesting. Monte Vista is very different from my school at home. I like it because it is outside so much. In California you are trying to make school fun and that is nice. I am not used to that. In Europe school is just a place to study. When I first came everything was so different, now I feel I am one of you and I really don't want to go home. I miss my family and friends, but I also know that I will miss my American friends and family a lot when I go home, and I don't know when I'll have enough money to come back. But one thing is for sure, soon as I have enough money I'm coming back to see you all. Have fun and take care. Love, Louise.

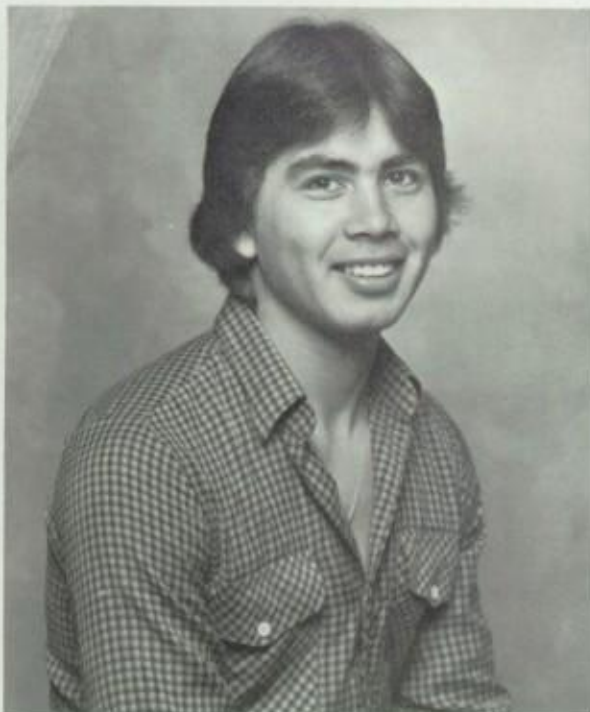

Hello!

My name is Britt Haussou and I am an exchange student from Sweden. After I've been dreaming about being an exchange student it has become a reality. And the only thing I can say about it is that it has been great. To come from Sweden with its short summers and cold winters California has really been something else. Being an exchange student has taught me a lot about everything. Everyone who gets the opportunity should take it. A big thank you to all my friends and teachers here at Monte Vista. Also a little extra love to my clothing teacher, Mrs. Ruef who is such a sweetheart.

Hi, I am Javier Núñez. I am an exchange student from Paraguay, a small country in the center of South America. The program I came with is World Experience. I really enjoyed my experience at Monte Vista this year. When I first got here I didn't know anybody, but now I've met many nice and wonderful people. I didn't know that American people are so kind and friendly. I think it's neat to learn a different language and culture and I hope to come back to the U.S. some day.

To everyone I've met at Monte Vista this year, I wish the very best in the future.

As you may have noticed, the Monarch gym has a new addition to its walls. Mr. Gray, Aaron Lancaster, James Sigismonti, and Paul Dibella, painted a mural on the home side of the gym. They did this in hope of lifting Monarch spirit and to enhance the looks of the gym. We would like to give a special thanks to Mr. Gray and his students for such a beautiful gift to the school.

The making of an excellent yearbook involves hard work, dedication, and creativity. This year's staff worked hard to produce an annual that included not only good workmanship but originality. The staff member's dedication was proven strong as every deadline was met on time. Often members worked long hours at night and on weekends. Although it appears to be all work and no play, there were many fun and creative times. The members enjoyed several weekend get-togethers and food parties. Overall, this year's staff was a hard working and fun group.

MONARCH HOMECOMING 81-82

HOMECOMING ACTIVITIES

The courtyard activities were successfully ran by the ASB and drew a large crowd on both days. The ASB did an outstanding job by designing a treacherous obstacle course on tricycles followed by the candidates attempting to feed each other ice cream while blindfolded.

This years Homecoming theme, the Era of Rock-n-Roll, was exhibited through the pre-game floats. The Beach Boys, the Junior float, took first place honors while the Beatles' Yellow Submarine, the Senior float, took a close second. The alumni cheerleaders came out and showed their spirit by leading the fans in memorable cheers and performing eight counts to the alumni band. Even the dads participated by wearing their sons jerseys and charging through the halftime run through.

BOYS' AND GIRLS' STATE

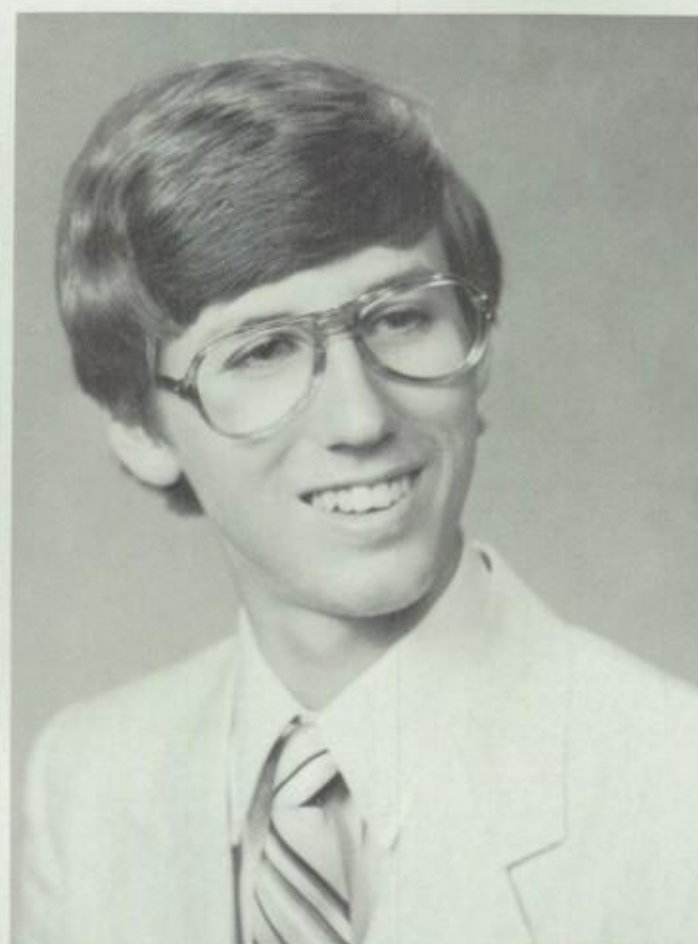

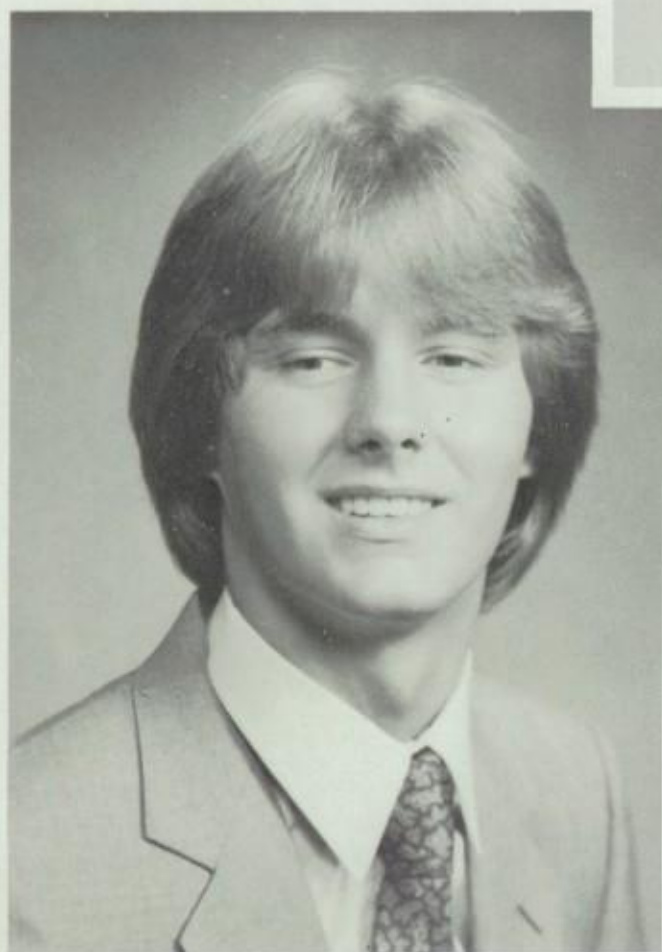

This past summer, two Monte Vista representatives, Jay Doughty and Joyce Aguilar, attended Boys/Girls State in Sacramento. Boys State went from June 22 to June 28 and had 900 boys in attendance; Girls State was held June 29 to July 6 with 560 Girls attending. Both were held in the Cal State University, Sacramento dormitories. The purpose of State is to teach high school students how our governmental system functions. It is very beneficial since representatives are able to learn, witness, and experience how the system operates. When Jay and Joyce first arrived, after a 12 hour ride, they were assigned a political party and a dorm room: following that, counties and cities were formed and people were encouraged to run for civic offices. After voting, there was an actual inauguration where the elected officers took oath. While at Boys State, Jay participated on the Election Board and was Deputy Police Chief. He liked the experience and spoke enthusiastically about his stay in Sacramento. Although State lasts only a week, the representatives develop friends very quickly. Both Jay and Joyce spoke as though their stay in Sacramento went by too quickly and they would have liked to stay. Joyce said as a result of State she is more interested in government simply because she understands more of how it operates and said that everyone should have the experience of State.

This has been a really weird year. Fun but weird. I think that's because you were there. I'm just kidding! Actually I'm really glad you were there and got to know my friends so good. Otherwise I wouldn't have had such fun! Why am I being so sweet? I know you've had a fun and frustrating year chasing after Mr. Man. Well, maybe next year you'll get him! Or maybe this summer it'll be Tony. You wish! Ooooo! Psht? Woosh! Was that over your head? (like the roof) Good! Remember all of my burritos you shoved in your mouth and then spit back on the ground? You're gross! Onewell, at least you don't eat like Mr. Right? Just think (I know that's hard for you, but try) after this you'll know where a pig has its scrotum and penis! That's always good to know. (Just in case of an emergency) Get your mind out of the gutter! Okay, enough of that! I'll be serious now.

I hope you have a really fun Senior (ooo! Big words) year. By then it'll be me and Danny and you and Steve. No, me and Danny and you and Tony. Tanya, you've had me confused this whole year so now (ie) about you and ? ooo! "Good golly day!" Is this the part where I'm supposed to say "wish you were here!"? Seriously, Thanks for being such a great friend!

Tanya,
 Well I can't even believe how quick this year went by, and next year we're gonna be seniors. Wapnit biology fun cutting up our little piggys? I don't even know how me and Susie could have made it through History and biology w/out you. Maybe this summer me, you, Pardi, and Susie can go to the beach. I hope you snag some guy this summer. Well whenever you go to thripty's or Taco Bell think of the time we ditched. Well I hope to see you this summer.
 (ps. eat them nanners)

Janya, We've made
it through history, finally, and I'm so glad
it's over! The years are
going by so fast, I can't believe
we only have 1 left! I hope we
have a class together next year, maybe
American government. We can cheat our
way through it, just like we did in history.
Have a great summer and I'll see you in the
fall. Susan Yampin

Tanya,
We didn't really
talk much this
year but it was
still nice having
you around. You
made History bearable.
Hopefully we'll ^{have} a
class or two together
next year. You've
got a terrific
personality. I know
you'll have a
great time this
summer. Take care
and enjoy! See
ya next year or
maybe even during
the summer.
